

## STANDARDIZED DRESS CODE (7<sup>th</sup>-12<sup>th</sup>)

### 2023-24

In accordance with the principles of modesty set forth in Scripture, students should dress in a way that neither dishonors God nor draws attention to themselves. The dress code requirements begin upon the student's arrival at school and remain in effect until his/her departure. Students coming to school without the proper uniform may be sent to the office where parents will be notified or receive a discipline notice. If a parent cannot be reached, the student will remain in in-school suspension the remainder of the day. Please make sure that uniform items are replaced when they become worn out or too small.
